MOTION

WE MOVE that the City make a secondary name change to the portion of W. McMicken Avenue between W. McMillan Street and Ravine Street to "Change Way".

Councilmember Yvette Simpson

STATEMENT

As a result of efforts by the City's various agencies and partners, the human trafficking problems that plagued this area of Cincinnati has abated and significantly stabilized, while many victims of trafficking transitioned to positive and productive lives. This portion of McMicken has seen significant revitalization because of these enforcement and supportive efforts. We support this secondary name change to that portion of McMicken to commemorate the efforts of those individuals involved and as a reminder that our combined efforts can benefit all citizens of the City of Cincinnati.
